RUMNEY NEW HAMPSHIRE

ANNUAL REPORT of the TOWN OFFICERS

**For The Fiscal Year Ending
December 31, 1996**

1997 TOWN MEETING

ANNUAL REPORT
of the
OFFICERS
of the
TOWN OF RUMNEY, NEW HAMPSHIRE

The Town would like to recognize:
BOYCE FORD, RUTH MOSES
AND DORIS AVERY TUNNELL
for their dedication to the Town of Rumney;

Ruth Moses was active in Town of Rumney affairs for over 53 years; Ruth was the Town Clerk for 5 years, President of the Women's Fire Auxiliary, Librarian, Leader of the Stinson Mountain Girls 4-H Club here in Rumney, a member of the Rumney Homemakers, and a Justice of the Peace. Ruth has probably accomplished much more than this; and for this we dedicate this section of the Town Report to her memory.

Doris Avery Tunnell was nominated by the Town of Rumney for her dedicated service to the town. Doris is a very valuable asset to the people of Rumney and the area. She is an excellent example of personal qualities and leadership today as during the past 65+ years. (Doris's accomplishments throughout the years are too long to print! They are available at the Town Office if you wish to read them.) Doris won the 1995 "Volunteer Award" through the New Hampshire Municipal Association and attended an awards banquet in November of 1995. Doris, thank you for your outstanding volunteerism, keep up the good work.

Boyce Ford moved into the Rumney area in the summer of 1971. While his vocation was spent at the college, his avocation was to spend time on the land first around his farm with horses and sheep. He then expanded into other parts of the town with his hay business. As Boyce's hay business grew, he rejuvenated many fields around the Rumney Area. For several years Boyce served as Town Moderator as he wanted to give back something to the town. Boyce will be greatly missed.

Doris Avery Tunnell

Boyce Ford
1929 - 1996

Ruth Kelly Moses
1921 - 1995

BYRON G. MERRILL LIBRARY REPORT FOR 1996

Books in the Library, January 1, 1997	17,022
Books added by purchase and gifts	600
Adult Fiction Circulation	3,898
Adult Non-Fiction Circulation	600
Juvenile Fiction Circulation	2,500
Juvenile Non-Fiction Circulation	375
Magazines borrowed	1,100
Video's and Records borrowed	2,457

One of the goals of a library is to enrich personal lives and encourage continuous self education through the use of library materials of all kinds. We continue our commitment to serve all in the area.

It is a pleasure to have our students using the library on a regular basis. They are doing research for assignments and other school related work. In the Spring, the librarian visited the first grade room at the Russell School. She read to the students and answered their questions. In June the children visited the library and had a tour of the building.

October found us issuing library cards to each one of the second graders. This enabled each student to use the library on their own.

In July, Caroline Grimes had an exhibit of her paintings. Many people came to visit and view the artists work.

August 10th we had Old Home Day here in Rumney. The Library co-operated with the Committee in having the "Famous Rumney Scrap Books" on display. We also provided a place to rest and visit with returning guests.

The Library helps people with their genealogy research. The number seems to be growing each year.

The Baker River Audio Visual Center continues to be very important in providing materials for your viewing and listening pleasure.

The addition of more insulation in the attic helped us conserve energy.

The Trustees and Staff wish to thank all who have contributed in any way this past year.

Respectfully submitted,
Muriel B Kenneson
Library Director

✚ OLD HOME DAY ✚

1996

OLD HOME DAY 1996

A parade, at ten, with horses and mules,
An assortment of autos and old farming tools,
Unusual entries we've not even seen
like a "synchronized-playing" volleyball team!
Then up with "Old Glory", as soldiers salute
and a visiting singer gives soul-filled tribute.
Then Burton and Gargas and just a few others,
Honor Kinne and history and our- great foremothers
But what can I eat? asks little snowflake.
-Why, butter and corn and blueberry cake And chicken and burgers
and weiners, I'm told By firemen working over hot coals.
It's off to the library-view paintings by Grime., And next door,
to explore the life in old times. Wait! Here come the little ones
out on a trek, With corn-colored kerchiefs around each neck.
What's that sound? Could it be an axe?
(There's just not a moment to relax.)
The jacks are competing to see which is best At chopping and sawing.
What a contest.
Let's look at exhibits by weavers and cooks And how about
Ken Haedrich signing one of his books? Then on to the music.
It's now time to cheer. The cloggers and singers are already here.
Tonight at the school, we'll go around back, Vendors will be there
to sell us a snack. While brothers and sisters let out a great cry,
"Oh look at the fireworks up in the sky!"
On Sunday, you say, we'll return to the school.
The softball games will be very cool.
The captains have chosen the teams with care. It's probably good
to bring your own chair.
There's the great hitter Reed of West Rumney, I hear
And Terrible Mike of the Village to fear.
Bring me samosas from the Indian fare
And please buy more popcorn for all to share.
What fun for the village to have such a day
A time for kids of all ages to play
To forget about work and the bills and the rent'
And celebrate life with a jolly event!

poem by Ellen Anderson

SELECTMEN'S REPORT

Rumney again ended its fiscal year with a surplus. The surplus was a result of expenditures below anticipated costs and revenues being higher than anticipated. Also, the money to be raised by taxes for town expenses is estimated to be below 1996 projections. The selectmen wish to thank all town officials and employees for their excellent cooperation in working within their proposed budgets.

Town Administration

Our Administrative Assistant, Susan St. Pierre, has completed her second full year, and again the selectmen are pleased in the professional and competent manner in which she has performed her duties and responsibilities. All of the town's fiscal matters, including payroll, have been computerized and during the ensuing year other non-fiscal records will be computerized as time allows.

Highway Department

Expenses for the highway department exceeded the budget due to the excessive snowfall in January of 1996 and the subsequent flood damage in January and October. Further, damage to a bridge in East Rumney required the replacement of the bridge with an arched culvert. The town did receive approximately \$10,000 from the federal government to offset flood damage; these funds were placed in general revenue to lower taxes. During 1996 the road committee met on five occasions to review capital improvement programs and make recommendations on improvements to the East Rumney Road. The selectmen wish to thank this committee for their time and efforts to improve town roads.

Transfer Station

The amount of solid waste brought to the landfill in Bethlehem, NH remained constant for 1996. The price for recyclables dropped significantly in 1996; however, market conditions did improve during the latter part of the year. The town has been working with other municipalities in our area to investigate the possibility of selling recyclables on a regional basis. The tire amnesty program, a project of the Pemi-Baker Solid Waste District, was quite successful with over 700 tires being collected at the transfer station.

Welfare

The decision to bring the administrative position "in house" did not place undue pressures on our Administrative Assistant. The transition went smoothly, and the workshops attended by staff proved to be extremely helpful. During 1996 the town was reimbursed for \$1,094 in expenses; the net cost to the town for 1996 was \$1,749.

Old Home Day

"Old Home Day" was a success and capped by a great fireworks' display. The committee, led by Ellen Anderson, are to be commended for their hard work and managing to have bright, sunny weather. Also the selectmen wish to thank all the merchants and individuals who donated money for the several events.

TRANSFER STATION REPORT

The income and cost avoidance from recycling are as follow:

Recycling Income	=	\$ 2,315.56
User Fees Income	=	1,254.38
Cost Avoidance	=	11,123.91

TOTAL		\$ 14,693.85
--------------	--	---------------------

TOTALS	165.10 tons	165.31 tons	169.42 tons

REPORT OF THE RUMNEY FIRE DEPARTMENT

Thank you all again for your support this past year. We responded to 98 calls in 1996. This is why we volunteer, train, and give of our time with expectation that we can make positive and significant results in emergency situations.

We are very thankful to you all who have responded to the need for the 911 numbering system by getting your homes and businesses numbered properly. It has made our job much easier and shortened response times. Rumney can be proud for being one of the first towns in Grafton County to set examples for others, in complying with 911 criteria.

We are still adding new equipment to our inventory of useful tools to do our job more efficiently and keeping up on training to advance our skills.

The 1976 International Pumper has been away most of the summer getting refurbished but is now back in service and was used for the first time at a recent structure fire. This unit is housed in the West Rumney station. It will now stay as one of our first line attack pumpers until the year 2002, when it will be due for replacement.

Last of all I want to Personally thank and congratulate the following six men on their retirement as Volunteer Firefighters. Tim Ray 43 yrs., George Wilkins 34 yrs., Bill Hall 31 yrs., Bill Shortt 24 yrs., John Bartlett 21 yrs., and Bill Muzzey 15 yrs. A total of 168 years of dedication and loyalty to their community and the Town of Rumney. I know I can speak for everyone in expressing...Thanks men, for a job well done!

Respectfully submitted

John E. Hemeon, *Fire Chief*

REPORT OF THE RUMNEY FAST SQUAD FOR 1996

The Rumney FAST Squad continues to grow! We saw an increase in calls to 120 in 1996, up from 112 in 1995. Our total breaks down as follows:

Medical Aid	84
Rescue	4
Auto Accident	23
Fire	5
Service call/other	4

At the present time our all volunteer unit has 13 licensed members, 7 EMT's and 6 First Responders. We always welcome new members, so if you are interested, contact any squad member.

We plan to continue our infection control program, with new members receiving their hepatitis shots, and all members receiving annual TB tests.

Business meetings are held on the 2nd Monday of each month, and on the 4th Monday we review different aspects of our training. We will be having some fund-raisers again this year to augment the money appropriated by the town. In addition, the stores in town have given us space for our blue donation boxes. All of our equipment, pagers, and supplies are expensive, and we are trying to provide the needed items with minimal effect on our taxes.

Thanks to all of the donations we received, we were able to buy a used defibrillator and train all of our members in it's use. This a valuable tool, and a real life saver.

Again, on behalf of all Rumney FAST Squad members, thank you for your support.

Mark H., Andrew

Director, Rumney FAST Squad

PLANNING BOARD REPORT

In the past year the Board/Rumney Driveway Unit issued four new Driveway Construction Permits several Final Driveway permits, and was otherwise involved with driveway bonds or reviews. The Board also renewed two excavation permits, sought to bring the town transfer station excavation into conformance with its regulations and inspected all excavations in town. The Board approved two applications for subdivision lot mergers, one new subdivision, and continued monitoring installation of a large subdivision on Stinson Lake. The Board also worked with the Selectmen to get voluntary compliance with its subdivision regulations in several cases, provided assistance in applying the regulations for numerous other properties, and began subdivision review in another.

Rumney was awarded an ISTE A grant for the construction of a bike path connecting the Russell School and town commons areas. As a consequence of this, the new state bridge over the Baker River on Main Street is expected to have a path on it for bicyclists to use in the snow free times of year, and for snowmobilers to use in Winter. There is much work to be done, however, to turn this generalized idea into a concrete reality.

Work began on compiling an index of all subdivisions approved by the Board in its history. This effort revealed several discrepancies between the town tax map and recorded subdivision maps which the Board is working to resolve.

There were some changes in the legal authority under which the Board administers its programs. Pursuant to RSA §674:39a any owner of two or more contiguous pre-existing approved or subdivided lots who wish to merge them for town regulation and taxation purposes may do so by applying to the Board. The Board adopted an application form and approved two mergers in 1996. The Board also adopted minor amendments to its subdivision regulations and plat layout requirements, and amended its policies to allow subdividers at their option to bond driveways instead of constructing them prior to final subdivision approval.

Please note that the construction of any driveway accessing a town road must have a Driveway Construction Permit from the Rumney Driveway Unit pursuant to Board regulations. The driveway unit is composed of the town road agent, a Selectmen's representative and the chair of the Board's Driveway Committee. (Driveways accessing state roads must get a permit from the NH Department of Transportation.) The Selectmen have told the Board one of the most significant costs town government must deal with concerns driveways that fail to perform adequately resulting in damage to town roads. The driveway unit will do its best to quickly review permit applications while protecting both the public safety and town budget.

Please note that the subdivision regulations state there can be only one dwelling unit per lot. If you wish to add a dwelling unit to a lot with an existing unit, you should contact the Board to see if you need a subdivision, a waiver or designation as an accessory use. This requirement implements state law and is intended to make sure each lot has adequate septic and water capacity,

driveway access, safe buildable sites, etc. for the protection of its inhabitants, abutters and the town budget. The Board spent a great deal of time working on policies to be applied to non-conforming lots that have not been grandfathered in 1996, and this effort is expected to continue into 1997.

Each year the Board updates the town Capital Improvements Plan. The CIP is intended to help those working with town budgets to smooth out expenditures and identify substantial cost items in future years so they can be addressed early on. Limited supplies of the CIP are made available to the public each year through the Board, and a copy is always available in the Town Offices for public review.

Finally, let me note how well the Board members work together. We are always interested in having new residents get involved, and we currently have two alternate positions available. If you are interested please contact me or the Board clerk.

Respectfully submitted,
Greg Sanborn,
Chair Rumney Planning Board

WELFARE ADMINISTRATOR'S REPORT 1996

During 1996, the Rumney Welfare Department worked with 12 families on an variety of emergencies. A total of 14 adults and 23 children were served.

The following is a breakdown of services provided:

Rent	\$900.00
Electric	\$1,406.09
Fuel	\$184.79
Food	\$150.00
Miscellaneous	\$29.99
Medicine	\$172.58
<hr/>	
Total Assistance	\$2,843.45

\$\$Reimbursed to the Town 1996;	<u>\$1,094.00</u>
---	--------------------------

Respectfully submitted,
Susan St.Pierre
Welfare Administrator

REPORT OF THE RUMNEY CONSERVATION COMMISSION

The Commission meets the first Wednesday of the month in the town office building.

The following are some of the issues the Commission worked on this year:

- 1 Laws changing the N.H. Wetlands Board to the Wetlands Bureau required considerable time for both the Bureau and local conservation commissions to assimilate, the greatest impact was on dredge and fill inspections and permit granting by the state.
- 2 Assisted John Hemeon with his request as to the number of dry hydrant sites that could be included on the application.
3. The bridge plans prepared by the N.H. Department of Transpiration and viewed by the Commission last year will be monitored by the Commission as work occurs.
4. Stabilization of the roadside on Rt. 25 east of the campground by N.H.D.O.T. was followed from the planning stage to the end of work.
5. Groundwater Protection Questionnaire requested by the state was prepared and we expect stratified drift aquifer maps early in 1997.
6. Viewed erosion problems at Stinson Lake, Stinson Brook and the Baker River, solving them is difficult and we are hoping for help from the Soil Conservation Service now known as the Natural Resource Conservation Service.
7. Advised the Rumney Planning Board on the use of the state's regulation Env. 800 on sludge handling. Members of the Commission attended meeting in Concord about these regulations. We reviewed early drafts and sent comments to the D.E.S..
8. Three members of the Commission attended the annual meeting of the N.H. Association of Conservation Commissions.
9. Advice to homeowners on procedures for the testing of drinking water.
10. Dredge and fill requests to the state were reviewed and inspections made of sites.

Lawrence Cushman, *chair*
John Alger
David Coursey
Terry Owen
Jan Stevens

RUMNEY HISTORICAL SOCIETY

1987 was another year for our society that reflected continuing support and interest on the part of many citizens. The board and officers thank you and hope you'll join with them in their efforts for the upcoming year.

The 1998 lecture series Included; Dr. Malcolm Wetherbee Freemont, NH, on "Two Lincolns in Exeter, NH; Politics, Paternalism and People" : Donald and Beverly Newell, Laconia, on "New Hampshire Indians": John Alger, Rumney, "Rumney Beginnings from East Haddam, Connecticut, 1761" Northam Parr, Extension Educator, Forest Resources, UNH Cooperative Extension, "The History and Use of New England Forests" and "Conversations with Loggers of New Hampshire" featuring Ralph A. Berg, Jr., Raymond Keniston, Chester Hinkson and Edward LaTulippe.

Because there was so much interest in the Conversations with loggers of New Hampshire" meeting the lecture program for 1897 will feature more local historical happenings. On May 15th, Ellen Anderson, Rumney, will tell of "Ruth Park, Lumber Queen" (1885-1980) who lived in Dorchester and Warren: June 19th, Ina Anderson and Thelma MacDonald, Rumney, "History of Rumney Schools;

July 17th, Donald Kenneson, Rumney will speak on 'Poultry Farming in the Rumney Area'; August 21st, Ralph A. Berg Jr., Rumney, will discuss 'Clothes Pin Making in Vermont and on September 18th, John Alger, Rumney, will speak of the life of his great-great grandfather, Montgomery C. Meigs, Quartermaster General of the Union Army, 1861-1865.

The lecture series begin in May and continue through October on the third Thursday evening of the month at 7 PM at the Museum. Tentatively, in November, Robert Gregoire, Vice President of the Society, will host an art show which will display the works of the local artists.

Many of you have given the society your "family trees" for the genealogical resource file which is and will be open to all who are searching for their "roots". One small success was an Inquiry from a family not living in Rumney who sought information on an ancestor who had lived here in the late 1700's. The file with that name which was given to us by another branch revealed the dab By continuing to have and expand our family records, town and cemetery records In our repository we'll be able to assist other searchers.

The Museum will be open from Memorial Day weekend to Columbus Day weekend on Saturdays from 10 am to 2 PM. For a separate showing call Roger Daniel's or David Keniston.

The society continues to dedicate Its efforts to searching for artifacts. memorabilia, pictures and records about the people who lived before us in our community. On another level the commitment of our ancestors to the political ideals which gave us our free society and the ethical tenets handed down by our Revolutionary forbears are just as important. In the latter category there in one, in particular, which might sum up our heritage; civic virtue.

Roger Daniels, Robert Gregoire, Judy Alger, Lucille Little, June Spaulding, Ruth Young, Charles Hall, David Keniston, Grace Hoefs, and Historian, John Alger.

RUMNEY POLICE REPORT

1996 was a very busy year for the Rumney Police Department. Service calls were up by over 700 from 1995. All areas of crime have increased.

We ran the gamut this year from A to Z. There are areas that are alarming such as the increases in daytime burglaries, domestic violence and bad checks. The economy is taking its toll on crime, unfortunately in the wrong direction.

Dispatch service has increased this year again. It is due to the increase in calls run through the dispatch center. Rumney police had 2819 calls for service through the center this year, and that does not include calls through the PD here and my home.

There is a slight increase this year in the budget request. We have cut everywhere we can without effecting services. The increase in calls causes increases in costs.

We are hoping for a new cruiser this year. The present Ford cruiser is over 6 years old and by town meeting will have over 140,000 miles on it. The blazer is 13 years old and will be put out to pasture. It is no longer cost effective to keep it in service. The safety of the vehicle has become an issue.

Rumney PD has had a 60% increase in court time in 1996 due to a large number of felony cases and motor vehicle cases. Our conviction rate is over 98% of our cases. We are proud of our success in court and incur no extra cost to the town for a regional prosecutor.

I personally, and the Town of Rumney would like to thank Janet Sherburne for her years of service to the Rumney Police Department. This department could never have run so smoothly without her. We wish her well in her new endeavors and wish to let her know we miss her. Thanks Janet.

A couple of reminders that I feel need to be addressed;

Dogs—please make sure they are licensed and have their proper shots. Keep them leashed unless they are under your direct control. We do not have a separate dog officer in Rumney and the dog complaints have had the biggest increase ever. Unlicensed and unsecured dogs will be transported to Meredith and the cost borne by the owner.

Drive carefully, buckle up and please keep your guns locked up.

Help reduce crime, keep an eye on your neighbors house and call 786-9712 24 hours to report crime or suspicious vehicles.

Thank you
Chief Robert L. Thompson

1996 RUMNEY RECORDS PRESERVATION

Several additional projects were accomplished in 1996 in records preservation in the program begun in 1994. Microfilming was again performed by New England Micrographics of Manchester (NEM hereafter) at the same prices charged in 1994 and 1995. 35 mm film conversion to 16 mm size was again performed by Kodak Laboratory Services in Chicago. After approval of \$500 at the 1996 Rumney Town meeting and following instructions in "New Hampshire Municipal Records Board Rules." the 1996 projects completed were as follows.

1. Film NEM #9 972 pages microfilm of town records for 1917-1937 (Book #6) and 1938*1957 (Book #7) in 35 mm film
2. Film NEM #10: 1410 pages microfilm of loose-leaf town meeting warrants and minutes for 1958 through 1995 in 16 mm film.
3. Film NEM #11: 1932 pages microfilm of town records for 1824-1844 and 1845-1866 in 35 mm film.
4. 16 mm conversion copies of 35 mm microfilms NEM #6, 7 and 8 for use on the microfilm reader in the Merrill Library in Rumney.

A summary of all microfilms produced under our microfilming program follows:

NEM #1: Vital Statistics in Rumney Books A through G, 1774-1901

NEM #2: Rumney Births in Rumney Books F & G, 1902-1938,

FAMILY-ONLY ACCESS

NEM #3: Town Records of Book B & C for 1769-1863

NEM #4: Rumney Births & Marriages Books #1-7, 1938-1993,

FAMILY-ONLY ACCESS

NEM #5: Rumney Deaths in Books #1-7, 1938-1993

NEM #6: Town Records Book #3 1841-1869 and #4, 1870-1875

NEM #7: Town Records Book #4 1876-1892 and Book #5, 1893-1899

NEM #8: Town Records Book #5 1900-1916

NEM #9: Town Records Books #6 and 7, 1917-1957

NEM #10: Loose Leaf Town Meeting Records of 1958-1994

NEM #11: Town Records Books for 1824-1866

Mormon-Produced Films of Rumney Records: #15304 (1767-1822)

& #16335 (1767-1848)

In addition to preserving important Town records for legal reasons in case of disaster, these organized records are providing an assist to research inquiries.

For 1997 there are more records that, by State recommendations, should be permanently preserved on microfilm such as trust records, tax books, property record cards, and Selectmen's minutes. If another \$500 is approved, an emphasis on microfilming by State priority will be continued. It is hoped the Town Clerk will complete a computer record of Rumney marriages and deaths for which paperback copies may be produced in 1997. The birth records book she produced has been of great assistance in answering inquiries to both the Rumney Town Clerk and the Rumney Historical Society.

Finally, in a special appropriation of \$450, it is hoped the voters will approve maintenance repair of the Town walk-in vault in the Merrill Library basement. Believe it or not, that 1905 Mosler vault is still in good shape according to Allsafe & Lock Company of Manchester who maintain Mosler safes and vaults today. Only a one day on-site cleaning and maintenance procedure is required to put the vault into "lockable" and fireproof service again.

THE STATE OF NEW HAMPSHIRE

TOWN OF RUMNEY

WARRANT FOR 1996 ANNUAL TOWN MEETING

•• AS VOTED ••

To the inhabitants of the Town of Rumney in the County of Grafton and State of New Hampshire qualified to vote in town affairs:

Residents of Rumney met at the Russell Elementary School Gymnasium on School Street in said Rumney on Tuesday, the 12th day of March at 8:00 o' clock in the morning at which time the polls opened for balloting on Article 1 & 2 and did not close earlier than 7:00 o' clock in the evening, and also met at the Russell Elementary School Gymnasium in said Rumney on Thursday, the 14th day of March at 7:00 o' clock in the evening for the second session of the Town Meeting at which time action was taken upon the remaining articles in this warrant. The meeting was opened at 7:00 pm by Town Moderator, John Alger. The pledge of allegiance was led by members of the 4 H Lancers Club.

ARTICLE 1: The following town officers were elected for the ensuing year; (By official ballot on March 12.)

Total Votes cast: 387

Selectmen/3 years	Kevin Maes	251
Treasurer/1 year	Polly Bartlett	333
1 Cemetery Trustee/3 years	Janet Sherburne	236
	JoAnne Camara	85
2-Auditors/1 year each	Yvon Cloutier	263
Write Ins	Ann Dow	6
	Anita French	5
2-Planning Board/3 years ea	Donald Smith	278
Write In	Sue Morton	10
Moderator/2 years	John Alger	330
Supervisor Check List/6 yrs	Ruth Young	335
Fire Commissioner/3 year	George Delaney	316
Trustee of Trust Fund/3 yrs	Ivan Kemp	261
Library Trustee/3 years	Ruth Craddock	325

ARTICLE 2: Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town? However, if this article is approved by the Town, the requirement to conduct Town Meeting business by official ballot shall take effect only if both the Rumney School District and Plymouth Regional High School District also vote at their 1996 Annual Meetings to conduct School District Meeting Business by this option. (By official ballot on March 12, 3/5 vote required.)

YES 223

NO 140

Passed by 3/5 vote but Plymouth Regional High School did not pass by 3/5 vote; therefore Town of Rumney will not go with the provisions of RSA 40:13.

ARTICLE 3: Nominations for a member of the Advisory Board for the ensuing three years, to represent the Village were taken and voted by secret ballot. David Keniston was chosen by 41 votes to Yvon Cloutier 26 votes.

ARTICLE 4: The Town voted to raise and appropriate the sum of \$150,492.00 to defray General Government Expenses for the ensuing year. *(The selectmen recommend this appropriation.)*

Chief Thompson asked to have the article amended to include an additional \$607.36 for his insurance. The amendment failed by a voice vote.

Executive	\$23,200.00
Election, Registration, & Vital Statistics	12,227.00
Financial Administration	26,620.00
Revaluation of Property	4,000.00
Legal Expense	5,000.00
Personnel Administration	27,290.00
Planning Board	2,430.00
General Government Buildings	11,775.00
Cemeteries	13,500.00
Insurance/Other	22,100.00
Regional Association Dues	2,350.00
TOTAL GENERAL GOVERNMENT	\$150,492.00

ARTICLE 5: The Town voted to raise and appropriate the sum of \$106,942.00 to defray the cost of Public Safety during the ensuing year. *(The Selectmen recommend this appropriation.)*

There was much discussion about appropriating money to pay the volunteer fire fighters. It was decided to do more study and come back with some definite dollar figures and ways of administering it.

Article 5 was passed as originally written for 105,602.00.

A motion was made and seconded and passed by voice vote to reconsider Article 5 because the Police Department never got a chance to address their portion of the budget.

An amendment was proposed and seconded to change the Police Department figure from \$63,015.00 to \$64,355.00 with the additional amount of \$500.00 to the Police Chief and \$840.00 to the Special Police Officers. This amendment passed by secret ballot: Yes 50 No 40.

An amendment was made to appropriate an additional \$6,000.00 for hourly wages for an on call fire department. This amendment failed by secret ballot: Yes 40 No 49

Police Department	\$64,355.00
Ambulance Service	15,897.00
Fire Department	22,940.00

FAST Squad	
(ins. not inc.-see INS/other)	1,650.00

Emergency Mgmt (inclds Forest Fires)	2,100.00
--------------------------------------	----------

TOTAL PUBLIC SAFETY	\$106,942.00
----------------------------	---------------------

It was proposed, seconded and passed to not reconsider Articles 4 or 5 again during this meeting.(Voice vote)

ARTICLE 6: The Town voted to raise and appropriate the sum of \$88,900.00 for the maintenance of highways and bridges during the ensuing year. *(The Selectmen recommend this appropriation.)*

ARTICLE 7: The Town voted to raise and appropriate the sum of \$7,800.00 to defray the cost of street lights in the ensuing year. *(The Selectmen recommend this appropriation.)*

ARTICLE 8: The Town voted to raise and appropriate the sum of \$28,000.00 for the purpose of sealing and shimming part of Buffalo Road, Drainage & paving part of Old North Groton Road.

(The Selectmen recommend this appropriation.) The section of Buffalo Rd to be worked on will be from the village to the transfer station.

ARTICLE 9: The Town voted to raise and appropriate the sum of \$52,600.00 to defray the cost of maintaining the Town Transfer Station. *(The Selectmen recommend this appropriation.)*

ARTICLE 10: The Town voted to raise and appropriate the sum of \$175.00 to defray the Townshare of the costs of the Pemi-Baker Solid Waste District. *(The Selectmen recommend this appropriation.)*

ARTICLE 11: The Town voted to raise and appropriate the sum of \$23,501.00 for the purposes of Health and Welfare. *(The Selectmen recommend this appropriation.)*

Animal Control	\$1,200.00
Health Administration	200.00
Mount Mooselaukee Health	1,250.00
Pemi-Baker Home Health	6,300.00
Plymouth Regional Clinic	600.00
Youth & Family Services	200.00
Plymouth Task Force Against Domestic Violence	500.00
Welfare Administration	1,900.00
Direct Welfare Assistance	9,000.00
Upper Valley Senior Citizens	1,400.00
Community Action (CAP)	951.00

TOTAL HEALTH AND WELFARE	\$23,501.00
---------------------------------	--------------------

ARTICLE 12: The Town voted to raise and appropriate the sum of \$24,700.00 for the purposes of Culture, Recreation and Conservation. *(The Selectmen recommend this appropriation.)*

Parks and Recreation	2,100.00
Library	19,500.00

Baker River Audio Visual	600.00
Patriotic Purposes	200.00
Conservation Commission Administration	300.00
Conservation Trust Account	2,000.00

TOTAL CULTURE, REC & CONSERV **\$24,700.00**

ARTICLE 13: The Town voted to raise and appropriate the sum of \$7,000.00 to defray the cost of interest expenses on loans in anticipation of taxes and other temporary loans. (*The Selectmen recommend this appropriation.*)

ARTICLE 14: The Town voted to raise and appropriate sums to be added to previously established Capital Reserve Funds as follows: (*The Selectmen recommend this appropriation.*)

\$ 7,500.00 to the Highway Equipment Fund

\$ 1,500.00 to the Police Cruiser Fund,

\$5,000.00 to the Town Revaluation Fund,

\$2,500.00 to the Town Facilities Fund.

\$16,500.00 TOTAL

ARTICLE 15: The Town voted to raise and appropriate the sum of \$15,000.00 to refurbish the 1976 International Fire Truck. (It was noted that the Selectmen were in favor of this appropriation. The note was just an omission.)

ARTICLE 16: The Town voted to raise and appropriate the sum of \$1,200.00 to perambulate the Rumney/Wentworth Town Line. (*The Selectmen recommend this appropriation.*)

ARTICLE 17: The Town voted to raise and appropriate the sum of \$500.00 for maintenance and improvements at the Old Town Hall. (*The Selectmen recommend this appropriation.*)

ARTICLE 18: The Town voted to raise and appropriate the sum of \$3,800.00 to make energy improvements to the Town Shed. Improvements will include the installment of a new furnace and additional insulation. Said sum to be offset by \$1,900.00 from the NH Governor Office of Energy and the balance of \$1,900.00 to be withdrawn from the Town Facilities Capital Reserve Fund. (*The Selectmen recommend this appropriation.*)

ARTICLE 19: The Town voted to raise and appropriate the sum of \$700.00 to update E-911. (*The Selectmen recommend this appropriation.*)

ARTICLE 20: The Town voted to raise and appropriate the sum of \$735.00 for the purpose of administrating an infectious disease control program to FAST Squad members. (*The Selectmen recommend this appropriation.*)

ARTICLE 21: The Town voted to raise and appropriate \$500.00 to continue the process of preserving town records. (*The Selectmen recommend this appropriation.*)

ARTICLE 22: The Town voted to raise and appropriate the sum of \$1,000.00 to defray the cost of "Old Home Day". The second week of August was designated as the time. The last "Old Home Day" was in 1992.

ARTICLE 23: The Town voted to raise and appropriate the sum of \$1,400.00 for a "Used Oil Collection Center" at the Transfer Station. Said sum will be reimbursed through a grant from the Department of Environmental Services. (*The Selectmen recommend this appropriation.*)

ARTICLES 24-27 were all voted to remain in effect indefinitely until rescinded by vote of the Town.

ARTICLE 24: The Town voted under RSA 31:19 and 19-a to authorize the Selectmen to accept all gifts, demises, bequests and trust funds in the public interest, providing minimal additional expense, during the ensuing year. This authorization shall remain in effect indefinitely, until rescinded by vote of the Town.

ARTICLE 25: The Town voted to accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific recession of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 26: The Town voted to authorize the Selectmen to administer, lease rent sell and convey or otherwise dispose of any real estate or mineral rights acquired by the Town by any Tax collector deed by public auction or advertised sealed bids. This authorization shall remain in effect indefinitely until rescinded by vote of the Town.

ARTICLE 27: The Town voted to accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific recession of such authority, the selectmen to issue tax anticipation notes.

ARTICLE 28: To hear the reports of agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

It was suggested that because Articles 24-27 will not be on the warrant in the future, that we separate the Police and Fire budgets into two separate Articles.

No other business was brought before said meeting.

Meeting adjourned at 9:33 pm.

Details of all articles are available on tape and may be obtained from the Town Clerk.

A True Copy Attest:

Linda Whitcomb.

Rumney Town Clerk

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To Aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the NH Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

MT. MOOSELAUKEE HEALTH CENTER 1996 REPORT

In 1996, the Mount Mooselauke Health Center Staff, Board and Volunteers continued the important effort to sustain a comprehensive health care facility for all people in our community, regardless of family income or health insurance status. In 1996, 29% of the patients at the Center did not have health insurance and an additional 13% received Medicaid assistance. During the Year, the Center provided over \$37,000 worth of discounts and fee adjustments for medical services; an increase of over 50% from 1995. Over 80% of the patients seen at the Health Center in 1996 were from Warren (43%), Wentworth (21%), and Rumney (17%).

In addition, to medical services, the Center continued to offer a variety of supplemental services for free or minimal cost including on-site mental health services (in conjunction with White Mountain Metal Health); preventive dental services for children; nutrition counseling; WIC; a diabetic support group; a parent-child playgroup; an adult health education group ("The Moosketeers"); an emergency food pantry; a car seat program; family support services; and special preventive clinics for hypertension, foot care, cancer screening, and adult immunizations. During 1996, the Health Center also collaborated with the Warren Methodist Church and St. John Vianney to prepare and deliver Thanksgiving and Christmas baskets to a number of families in the Baker River Valley facing challenges during the Holiday Season.

Dr. Richard Covington is now in his second year as Medical Director of Health Center. We are grateful for his hard work and dedication to the practice. Dr. Covington is a Family Practice Physician and is board certified through the American Academy of Family Practice. His professional interests include the care of diabetes, hypertension, arthritis, and pediatrics. Dr. Covington is on Active Staff at Speare Memorial Hospital and shares after-hours and weekend emergency call with the other Family Practice physicians on the Hospital's Active Medical Staff.

Dr. Covington is joined in the practice by Jessica Thibodeau, Adult Nurse Practitioner. We also appreciate Jessica's devotion to the practice and the attentiveness she offers her patients. Jessica received her advanced clinical training at Massachusetts General Hospital in Boston. She provides a broad range of adult and adolescent health care including prenatal and women's health services. The Health Center has continued to collaborate with the Nurse Midwifery Program at Dartmouth-Hitchcock for deliveries and high risk referrals through our prenatal program. The family practice currently sees patients by appointment Monday through Friday from 8:30 until 5:00, except Monday and Thursday when the Center offers early evening appointments until 6:00.

During 1996, the Mount Mooselauke Health Center saw over 2,600 patient visits in the family practice and 16 women received their prenatal care at the Center. The Health Center provided preventive health care including free immunizations, lead screening, and subsidized dental services to 117 children under the age of 12, free cancer screening exams for more than 40 women and flu shots to 275 people (the most ever!). Over 75 families utilized the WIC program and 63 families used the food distribution programs. The health center has continued our policy of offering discounted fees to uninsured individuals and families with limited incomes. We also accept assignment on Medicare benefits including waiving the annual deductible for Medicare beneficiaries. Our ability to continue these policies and to sustain services in general are dependent on the tremendous support we receive through Town and individual contributions, as well as donations of time from many wonderful volunteers. We thank you all very much and look forward to a Healthy 1997.

Respectfully, Jonathan Stewart, *Administrator*

PEMI-BAKER HOME HEALTH AGENCY 1996 REPORT

Home Care in this country is a diverse and rapidly growing service industry. Over 18,500 providers deliver home care services to 7 million individuals who receive such services because of acute illness, long term health conditions, permanent disability, or terminal illness. Care is provided to those who are essentially home bound.

- * Our Pediatric Nursing and Psychiatric Nursing programs continue to grow in scope and provide a much needed specialty service.
- * As we plan programs with the Parent Child Program of the Whole Village Family Resource Center, we hope to expand our Parenting Programs, Free Dental Clinics, Well Child Program and Nutrition services.
- * In April we moved our office to the Whole Village Family Resource Center.
- * New board members elected in 1996 are Marjorie Glidden, Ashland Alternate; Karen Norris, Ellsworth Representative; Michael Long, Plymouth Alternate; and Eileen Pellbring, Waterville Valley Alternate.
- * 1996 was the first year that the Pemi-Baker held an Annual Fund Campaign. Fletcher Adams, President of Pemigewasset National Bank, was our Honorary Chairperson. The goal chosen was \$19,670 to honor the year, 1967, the agency opened its doors for business. We are in hopes of exceeding our goal and look forward to fundraising endeavors in 1997.
- * Pemi-Baker Home Health will be working with Dartmouth Hitchcock on a research project to develop standards and outcomes in Hospice programs. It is the first such research project in the country.
- * Another Hospice Volunteer Education Session was held from September through November and eleven volunteers completed the course.
- * The agency is actively involved in the process of Joint Commission on Accreditation of Healthcare Organizations (JCAHO). JCAHO is an organization that provides standards to assess and improve processes relating to quality patient care and has been accrediting hospitals since the 1960's. Accreditation is quickly becoming an important and necessary factor in the homecare industry. This process is expected to take a minimum of one year.
- * The Pemi-Baker Home Health Agency continues to be actively involved in the local community and, in addition to free blood pressure, diabetic screening, and immunization clinics, we have co-sponsored an eight week course "Financial Empowerment for Women", attended the Gunstock Health Fair, Holderness Health Fair, and the Plymouth Regional High School Health Fair. We co-sponsored a Hospice presentation of grief and loss with Rabbi Grollman, participated in the summer fair at the Whole Village Family Resource Center, and participated in the "Living with Health & Wellness" cancer series sponsored by Spear Hospital. We have held two free dental clinics this year with the volunteer efforts of Dr. Troy Schrupp.
- * Did you receive your agency newsletter? We have produced two newsletters, "Home Sights" and the response has been overwhelmingly positive.

The following services are offered by the Pemi-Baker Home Health Agency:

Skilled Nursing	Physical Therapy
Speech Therapy	Occupational Therapy
Social Worker	Home Health Aide
Homemaker	Hospice
I.V. Therapy	Family First Program
Companion Referral Service	Psychiatric Nursing
Immunization Clinics	Pediatric Nursing
Health Promotions/Evaluations	Parent Support Group-REACH
Parent Aide Program-H.A.P.I.N.	Nutrition Visits
Well Child Program	Newborn Visits
Blood Pressure Clinics	Annual Flu Clinic
Diabetic Screenings	Office blood pressure checks
DNR Program	DNR Bracelet Program
Sponsorship of the Plymouth Area Ad Hoc Committee on Youth at Risk	

Visits to the town of Rumney in 1996 totaled 2284 and breakdown as follows:

Skilled Nursing:	874	Occupational Therapy:	9
Physical Therapy:	164	Home Health Aide:	983
Speech Therapy:	-0-	Homemaker:	213
Social Worker:	32	Well Child/Nutrition:	3

The Pemi-Baker Home Health Agency has submitted a request to the Board of Selectmen for a 1997 appropriation in the amount of \$6415.20. This represents a per capita amount of \$4.40 based on our towns most current population as reported by Office of State Planning in Concord.

Respectfully submitted,
Sandra Gardner, *Representative*
Pemi-Baker Home Health Agency Board of Directors

NORTH COUNTRY COUNCIL ANNUAL REPORT - 1996

This has been a very busy year at the Council. We completed 53 local and regional projects and were directly responsible for the investment of \$7.0 million in local infrastructure projects by federal or state funding sources. In cooperation with the NH Department of Transportation, the Council was involved in the development and implementation of \$16.5 million of transportation projects on the Ten Year Transportation Improvement Program (TIP). NCC was called upon many times each day to provide local technical advice, be "on call" for our members, respond to questions or provide guidance to land use boards, development corporations, boards of selectmen, chambers of commerce and civic groups. There are over 300 of these local bodies in the region and this last year saw us interacting with most of them at least once and many of them on numerous occasions. In addition, we convened numerous meetings, hearings and informational sessions on regional environmental, regulatory, development, permitting and public policy issues. Similarly, we provided advice, technical assistance and guidance on a weekly basis to businesses, public agencies and non-profit corporations. This last year, we responded to more than 200 requests for data, direction and advice from a very diverse mix of businesses, agencies and organizations. Beyond these requests, we have continued to maintain a regular dialogue with those state agencies that depend on us for a "linkage" to the communities of the North Country.

A new beginning for the Council was the opening of the North Country Council Development Center, located at the historic Rocks Estate in Bethlehem. The Center is the site of NCC's offices, the offices of the NH State Library and the North Country Arts Alliance. This next year will see the addition of another four tenants in spaces that will be ready for occupancy in the summer of 1997. Equally important to its function as a home for all these and other important regional resources, the Center will function as a research/demonstration site, partnership facilitator, conference center, source of market information and communication vehicle for the North Country of New Hampshire.

During 1996, the Center hosted teams of planners from the Netherlands, Central America, the Caribbean, and Eastern Europe. Through these meetings we have gained a mutual understanding of the planning and development challenges we face as a world community. More specifically, these visits have provided us with an opportunity to learn new approaches to conserve resources and foster appropriate development, as well as make many new friends.

This year has been a watershed year for the Council. We have enhanced our staff capacity; we have undergone significant internal strengthening and we have restructured and reorganized, all in an effort to respond to regional need. Our goal however, remains the same: to provide support and leadership to the region, its governments, businesses and citizens.

Sincerely,
Preston S. Gilbert, *Executive Director*

GRAFTON COUNTY SENIOR CITIZENS COUNCIL ANNUAL REPORT 1996

Grafton County Senior Citizens Council, Inc. works through its local programs to enhance the health and well being of our older citizens and to assist them to remain independent in their own homes and communities for as long as possible. Through eight locations throughout the County, including Plymouth, Bristol, Canaan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to obtain services such as home delivered meals, senior dining room programs, transportation, social work services, information and referral, health and educational programs, adult day care, recreation and opportunities to be of service to the community through volunteering.

During 1996, 104 older residents of Rumney were able to make use of one or more of GCSCC's services. These individuals enjoyed balanced meals in the company of friends in a senior dining room, received hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources by our lift-equipped buses, and found opportunities to put their talents and skills to work for a better community through volunteer service. The cost to provide these services for Rumney residents was \$20,493.89.

Community based services provided by GCSCC and its many volunteers for older residents of Rumney were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the quality of life of our older friends and neighbors.

GCSCC very much appreciates the support of the Rumney community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin, ASCW
Executive Director

1996 AUDITOR'S REPORT

As required by RSA 41:31 and in accordance with REV Rule 1904, Requirements of Auditors, issued by the NH Department of Revenue Administration, we have to the best of our abilities reviewed the records of the Town of Rumney, supplied to us by the following departments: Tax Collector, Town Clerk, Library Trustees, Trustees of the Trust Funds, Cemetery Trustees, Town Treasurer and Selectmen. - Town Administrator's Office. Based upon that review we found the records of the various departments are correctly cast. A complete report of the Auditors findings, including the MS-60 state report, is on file at the Selectmen's office.

Respectfully submitted this 19th day of February, 1997.

Jerilyn Begalle
Yvon J. Cloutier, Jr.

PEMI-BAKER
YOUTH & FAMILY SERVICES COUNCIL, INC.
1996 ANNUAL REPORT

The Pemi-Baker Youth & Family Services Council, Inc. Is an organization that is dedicated to promoting community-wide approaches which aid in the development of healthy youths and their families. The Council currently coordinates four programs which are available to people in Eastern Grafton County (Lincoln to Alexandria):

1. **Juvenile Court Diversion** - a voluntary program for first time juvenile offenders which holds them accountable for their actions without going to court. The Diversion process involves the participants with volunteers from the community who develop a contract with each youth and their family. Contracts may include community service, referrals to other human service agencies and programs, personal development tasks, etc. We have found that, of the 39 students who graduated from Diversion in 1995; more than 89% have not committed a subsequent offense since.
2. **The Challenge Course** - a 15-hour early intervention program for teens which focuses on issues surrounding alcohol, tobacco and other drugs. Courses are non-judgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use of stop using entirely. Additional topics of discussion include high-risk behaviors and HIV/AIDS education.
3. **Information and Referral** - provides area residents with a clearinghouse of information on regional human service agencies and programs. People with a variety of needs can receive free and confidential assistance on how to report suspected child abuse, how to access public assistance or counseling services, where to find after-school activities for children, etc. The Council also publishes a comprehensive Guide to Community Resources for use by towns, police, schools and other human service providers.
4. **The Rated PG Program** - a new program for parents and guardians who would like to receive more information about alcohol and other drugs. The program discusses how to talk with their kids about these subjects without running into a brick wall. It also provides information on what they and their children can do to reduce the risk of ever experiencing an alcohol-related health or impairment problem.

In the past year, the Council: has become one of the agencies working together in the Whole Village Family Resource Center; continued to co-write the semi-monthly "Families First" column in the Record Enterprise; provided administrative support to the 5th Annual Conference for

Parents; and, involved the eighth grade students at PES in the Middle School Challenge Course.

In addition to the programs listed above, in 1997 we will also be: coordination a conference for all 200 eighth graders in SAU#48 and Ashland; expanding our presence in the Lincoln, Newfound and other areas; and, organizing several other exciting projects in the 7+ communities we serve.

Total service figures for the Council in 1996 are as follows:

Juvenile Court Diversion	27
Challenge Course	11
Information and Referral	122
Middle School Challenge Course	60

Respectfully submitted,
Steven P. Bradley
Executive Director

PEMI-BAKER SOLID WASTE DISTRICT 1996 ANNUAL REPORT

The Pemi-Baker Solid Waste District committee met 6 times during the 1996 calendar year. In addition to our normal work organizing the Household Hazardous Waste program for the 11 Pemi-Baker District towns and keeping each other apprised of recycling news and initiative, this year we also renegotiated a portion of our waste disposal contract with North Country Environmental Services, and organized and sponsored a waste tire collection.

It was decided last year at budget planning time that since the turnout for the one-day HHW collections has been shrinking each year, in 1996 we would try having only an ongoing paint and battery collection program in the town which have facilities suitable for this type of collection. Ashland, Campton/Thornton, Rumney and Plymouth all collected paint for recycling and the containers of paint were picked up by our contractor, Laidlaw Environmental Services, in the fall. We received a grant for half the cost of the paint collection from the State of New Hampshire, Department of Environmental Services (NHDES). There will be both paint and battery collections and a late-spring or early-summer one-day hazardous waste collection in 1997. Information regarding the date of the collection will be distributed at a later date.

This was our first year for a tire collection program and we had a higher participation rate than we had expected. All the district towns' residents could drop tires off - free of charge - at any one of several sites within the district during a three-week period in September and October. Turnout was very high in some towns and we disposed of better than 80 tons of used tires.

Finally, we made some changes to the contract between the District and North Country Environmental Services in Bethlehem which allows for District towns to dispose of Municipal Solid Waste (MSW), Construction and Demolition Debris (C&D), and incinerator ash at the landfill in Bethlehem, NH at very competitive prices. The new contract price negotiated was several dollars per ton lower and will save the District towns that participate in this contract a substantial amount of money over the next few years.

During the upcoming year the District committee intends to look into several options for regional cooperative projects which could ultimately save the towns money on solid waste disposal, transportation, and recycling. Anyone interested in participating in the process is welcome to attend the District meetings. Each town receives notices of upcoming meetings and information regarding the place and time of meetings should be available at your town offices.

Respectfully submitted,
Marghie Seymour, District Coordinator
